INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.56 AND §1.97

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the U.S. Patent and Trademark Office of all references coming to the attention of each individual associated with the filing and prosecution of the subject application which are or may be material to the patentability of any claim of the application, Attorneys for Applicants respectfully direct the Examiner's attention to the references AA-CT listed on the attached revised form PTO 1449. Copies of references AA-CT are submitted herewith.

While not to be construed as indicating that the Examiner should not review and consider fully all the listed references, Applicant particularly directs the Examiner's attention to references AH, AL, AN, AO, AR, AS, AT, AU, BM, BS, CB, CC, CK, and CM.

Identification of the listed references is not to be construed as an admission of Applicant or Attorneys for Applicant that such references are available as "prior art" against the subject application. Consequently, Applicant respectfully declines to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicant submits herewith a "revised form PTO 1449" entitled "List of References Cited by Applicant" instead of "List of Prior Art Cited."

Applicant requests that the Examiner review all the references identified on the attached revised PTO Form 1449, and that they be made of record in the file history of the above-identified application.

Pursuant to 37 C.F.R. § 1.97(b), since it is believed that this information disclosure statement is being filed before the mailing date of a first Office Action on the merits, no fee is due in connection herewith. However, should the Patent Office determine otherwise, please charge the required fee to Pennie & Edmonds LLP deposit account no. 16-1150; a duplicate of this sheet is enclosed.

Respectfully submitted,
